### Q1. Read the passage and then answer the questions below:

I just love ice cream. Sometimes my mum makes spaghetti ice cream. It tastes delicious and my friends and family love it. But there isn't any spaghetti in the dessert. She uses ice cream for the spaghetti, cherries for the ketchup and a white chocolate bar for the cheese. I have ice cream nights and all my friends have fun. We also eat banana cake and try fruit pizzas. We always play games, too. We close our eyes and taste different flavours of ice cream. I'm good at this, so I'm usually the winner!
