F READING

Read the paragraph.

Fahd goes to school Sunday through Thursday. He works out three days a week on Monday, Wednesday, and Thursday. He stays healthy all year, and he's not sick a lot. He also hangs out with his friends after school and on weekends. They go to the mall every Thursday, and they usually eat lunch in the food court. He loves the pizza there. One time he got Indian food, but he didn't like it. So now he just eats pizza. He and his friends like to chat online a lot, too. But he has to do his homework before he can go online. Some of his friends send him a lot of messages, but his friend Qassim only sends him one or two messages a week. Qassim doesn't have a lot of free time to go online. Qassim goes to swimming practice every afternoon, then he does his homework and goes to bed early. He can only go to the mall once or twice a month. But tomorrow, Qassim, Fahd, and their friends are going to hang out at the food court. They want to try the food at the new Indian restaurant!

Write **T** for **True** or **F** for **False**.

1. **T** Fahd goes to school five times a week.
2. **F** Fahd works out twice a week.
3. **F** Fahd and his friends seldom eat lunch in the food court when they're at the mall.
4. **F** Qassim often sends Fahd emails.
5. **F** Fahd never hangs out with Qassim.
