## **Comprehension:**

### **Earthquakes**

*In 1993, there was a terrible earthquake in India.*

*Oxfam , a charity that helps people worldwide raised over \$1 million from donations and was able to do a lot to help after the disaster.*

*One of the first things Oxfam did was to provide funds to buy food and blankets for survivors.*

*Hundreds of people worked as volunteers and gave their time to help clear rubble, bury the dead and comfort survivors. People also received homes and food while they helped in the relief operation. Some of the money was spent on the job of providing drainage and sanitation. Oxfam also gave funds and assistance to help people rebuild homes, hospitals and schools.*
